SUMMER VACATION HOMEWORK, 2022-23.  
CLASS U.KG.**

**Dear Parents,**

Summer holidays are here again to give us respite from the scorching heat. We hope that our children will enjoy their vacation time as well as improve their skills.

Children learn through experiences and play. There are many ways in which you can support them in gaining knowledge and understanding as well as strengthen the parent child bond.

**Some things that you as a parent can do are -**

1. Take your child on a nature walk.
2. Play simple games with your child.
3. Make simple conversations.
4. Involve them in little household chores.
5. Recite a moral story to them.
6. Try to converse in English with them.
7. Tell them to make use of magic words like excuse me, sorry, thanks, please etc.

**Some things as a parent you can tell your child not to do like -**

1. Do not watch T.V all the time .
2. Do not play too much mobile games.
3. Do not play outdoor games during the hour of peak sunshine.
4. Do not eat junk food .

**Paste 2 examples of big and small objects in scrap book**

**Note: Revise all the work done in the class.**
